Education

Year	Course	Institute
2023 - 2025	MSc Data Science and Big Data Analytics	MIT World Peace University Pune
2017 - 2021	Bachelor Degree in Management Information Systems	Lebanese International University
2014	Class XII	Alkewait HS

Skills

Languages	Python, SQL, R
Machine Learning	Supervised & Unsupervised ML Algorithms, SVMs, Logistic Regression and Linear Regression, Clustering and Decision Tree, Bagging and Boosting.
Libraries / Frameworks	Numpy, Pandas, Matplotlib, Seaborn, TensorFlow, SciKit-Learn
Visualizing Tools	Tableau, Power BI, Microsoft Excel, Jupyter Notebook, Google Colab, Adobe Design

Courses and Certification

Name	Institute	Date
R	Great Learning (Online)	Mar 2024 - Apr 2024
IT For Businesses Solutions	HP (Online)	Aug 2022 - Sep 2022
Digital Marketing	Google SEO (Online)	Jan 2021 - Aug 2021

Professional Experience and Internships

- Representative of Globe ways Agency in Ireland English Language Instructor
(Dec 2022-July 2023)
- WEB DESIGNER (TAMIMI) (Oct 2022 - July 2023)
- Supply chain and database management at YMFOS (Sep 2021 - Oct 2022)
 - Creating supplying management for the company.
 - Was involved in cleaning the dataset in Microsoft Excel and M.Outlook for emailing and supply chain processing.
 - Leading and observing.
 - Worked on Adobe Design programs
 - Quality analysis and Reports & data analysing.
- Gate Design CEO & Leader (Dec 2020 – Oct 2022)
 - Responsibility: Guiding team works , observing ,evaluating and leadership.

Projects

Machine Learning Algorithms projects:	Performed Machine Learning algorithms Random Forest Regressor. Also used different ML techniques to find the best fit accuracy like Linear regression, Logistic regression, Decision Tree classifier, etc..
Visualization using Power Bi and Tableau	Used Tableau and Power BI to Visualize the dataset such as sales, airline price prediction, and HR data analytics and
SQL (Structured Query Language)	Used SQL techniques such as sorting using Clause, aggregated functions, inserting , modify, analysis.

Activities

- Ambassador of Yemeni students at MITWPU 2023 - 2025.
- Gate Design company CEO 2020-2022
- Web Designer.
